## \* ELLADE TESSUTO COTONE - COTTON FABRIC - BAUMWOLLE STOFF

ELLADE è un tessuto in cotone 100% sfoderabile lavabile in acqua a 30° o a secco con percloroetilene. È consigliabile un prelavaggio in acqua fredda. In caso di macchie utilizzare una spugna imbevuta d'acqua e strofinare con sapone neutro. Per lavaggio a mano o in lavatrice usare un programma per tessuti delicati utilizzando detersivo neutro. Sono possibili lievi difformità cromatiche dovute alla stampa.

ELLADE is a 100% cotton fabric, used for removable upholstery. It can be washed at 30 degrees with water or dry cleaned with perchloroethylene. In case of stains, scrub the area with a sponge soaked with water and neutral soap. If machine washed, use a delicate fabrics programme with neutral detergent. Slight colour differences may be found on the surface as a consequence of printing.

ELLADE ist ein abnehmbarer Stoff aus 100% Baumwolle. Eventuelle Flecken können mit einem feuchten Tuch und neutraler Seife entfernt werden. Die Bezüge sind für Hand- oder Maschinenwäsche bei 30°Grad geeignet. Eine Vorwäsche mit Kaltwasser ist empfehlenswert, bitte verwenden Sie im Fall das Feinwaschprogramm und entsprechendes Pflegemittel. Geringe Farbweichungen sind druckbedingt möglich.
